The Just Be Kind Way of Life

Transform your community through acts of kindness. The Just Be Kind App strives to promote these acts through rewards and through a panoramic view of kindness in the community. Simply log your act of kindness, accrue points, and watch kindness blossom all around you.

Add An Act of Kindness

Document acts of kindness by simply selecting the plus sign. Select the category that best fits an act of kindness. Add details and video or photographs to highlight your act of kindness and select submit.

Kindness in the Community

Discover how small acts of kindness influence the whole through Kindness in the Community. You can observe kindness within your own community and get inspired to pass it on.
