With the help of 200 non-profit partners and over 500 community leaders, Values-in-Action's Kindland initiative aims to embed kindness in schools, businesses, government, and communities by recognizing and sharing the kind acts happening around us. This year's award honorees are exceptional leaders who work to make Cleveland a "kind land" each and every day.

With Love & Kindness

The Kindland Leadership Award is named in memory of our board chairman, Mike Gibbons, who believed that kindness can be the tie that binds us despite so many divides.
