Co-founded by Susan & Stuart Muszynski in 1994, Values-in-Action Foundation is committed to empowering students and adults to build communities of kindness, caring and respect through programs that teach, promote and provide skills and tools that enable individuals to make values-based decisions every day. This event showcases that the link between school, community and workplace is powerful and inspiring. The event's honorees are true role models who lead with their values. All proceeds support Values-in-Action's character-education programming.
